

Dear Parents and Guardians,

It was wonderful to work with your child this past year! In order to continue practicing Spanish during the summer months, I want to share the following apps and websites your child can explore.

Apps for the iPad/iPhone:

1) **Endless Spanish (Grades PreK-2)**: Teaches how to spell and pronounce words in Spanish, as well as piece them together to form complete sentences.

<https://apps.apple.com/us/app/endless-spanish/id964209088>

2) **Spanish School Bus for Kids by Chungaboo (Grades PreK-4)**: There are various topics that are explored with a set of vocabulary words for each.

<https://apps.apple.com/us/app/spanish-school-bus-for-kids/id642466531>

Websites to build Spanish fluency:

1) **IXL (Grades PreK-4)**: Lays the foundation for Spanish fluency with interactive questions, engaging audio, and real-world narratives that put a fresh spin on vocabulary and grammar skills. <https://www.ixl.com/spanish/> (Students can use their **login** info.)

2) **Rockalingua (Grades PreK-4)**: Explore the many topics that we have learned this year, plus more! There are videos, stories, interactive games, activities, and pre-recorded lessons. Once logged in to the website, worksheets can be **printed** to practice the concepts.

<https://rockalingua.com/>

3) **Oh Noah PBS Kids (PreK-4)**: Follow Noah on his adventures as he learns Spanish. There are interactive videos and games. <https://pbskids.org/noah/>

4) **DuoLingo (Grades 3-4)**: Introduces vocabulary and grammar at the pace of the student's progress. There are also stories that check for comprehension.

<https://www.duolingo.com/> (Students can sign-up with their **SRDS gmail account**)

Please let me know if you have any questions.

¡Que tengan un buen verano!

Warm regards,

Señorita Gervais
