

REBEL TENNIS CLINICS WITH COACH KEN ALRUTZ

Playing Middle School and High School Tennis is a rewarding and enjoyable experience, but you must lay the foundation for your goals in the summer. Without solid technique, you will find that achieving success in the sport is next to impossible. Make plans to learn, drill, compete, and have fun with Coach Ken in one or more of his tennis clinics this June. Not only does Coach have 23 years of experience directing college tennis programs, not only has he won seven Coach-of-the-Year Awards (including the 2014 USTA Eastern Section High School Coach-of-the-Year honor), not only does he hold an Elite Professional rating from the United States Professional Tennis Association, but his Saddle River Day Boys Team captured the Bergen County Championship in 2014, his Girls Team garnered the 2019 Patriot Division title with a 16-0 record, and the 2023 title with a 13-1 record; his son earned an ATP World Ranking. Each summer clinic includes instruction, games, as well as supervised competition. Register today!
